This eye pillow was originally developed for use with acupressure treatments. The Eye Pillow has points around the eyes to bring relaxation. Recommended use as a cold pack. But a relaxing herbal blend of Chamomile, Lavender, Peppermint, and Vanilla also works to soothe sinuses prior to sleep can also help relieve sinusitis. Over 10 million people in the US each year suffer from sinusitis. Moist heat and compact application can reduce the discomfort associated with sinusitis. You can read more about Sinusitis and you can find an article. Shipping weight 1 lb. Colors and patterns as pictured. Removable cover is washable.

If you suffer from Facial Neuralgias, the Eye Pillow, could be a beneficial therapy. This is a recommended treatment we found on the [www.1ToPatient.com](#) Website, under "Treatments: Hot/Cold Compresses."
